CERTIFICATE

OF COMPLETION OF DIGITAL ACTIVISM PROGRAM

This certificate is granted to

Gergana Ivanova/ VAMO

Successfully completed Digital Activism Program, February – May 2024.

The program, implemented in Bulgaria by the Media Literacy Coalition, is an initiative of the TechSoup Global Network, in partnership with Funky Citizens and supported by Google.org. The aim of the program is to provide CSOs with training and workshops, individual consultations, community-building events, small grants, and access to tech solutions or tools to help them design effective disinformation response campaigns.
